

MOHAMED ATTIA MOSTAFA MORAD

Full Stack Developer (React, Next.js, Laravel) – Frontend Focused

mohamed.morad.dev@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

(+966) 0570034062 - (+966) 0592371742 | Al Hufuf, Saudi Arabia

PROFESSIONAL SUMMARY

Frontend Developer with 3+ years of experience building scalable web applications using React, Next.js, Tailwind CSS, and TypeScript, with a strong focus on high-quality UI, performance, and clean architecture. Currently transitioning into Full Stack Development, building projects using PHP and Laravel and gaining experience in backend systems, APIs, and database integration.

WORK EXPERIENCE

Almusand Alraqmi | Al Hufuf, Saudi Arabia – On site

Frontend Developer | April 2025 – Present

- Developed a pixel-perfect, responsive multi-vendor e-commerce platform (Live: <https://matryal.sa/>).
- Built scalable UI components using React, Next.js, TypeScript, and Tailwind CSS.
- Improved performance, increasing Lighthouse score from 65 to 90+.
- Developed admin and vendor dashboards with efficient data workflows.
- Optimized performance using lazy loading, code splitting, and image optimization.
- Contributed to a scalable, maintainable frontend architecture.

Freelance Frontend Developer | Saudi Arabia - Remote

Frontend Developer | Jun 2024 – Present

- Designed and developed production-ready web applications for multiple clients across different domains.
- Built responsive, user-friendly interfaces and integrated RESTful APIs using React, Next.js and Tailwind CSS.
- Delivered projects including a car rental and booking platform and an automotive e-commerce platform (spare parts & maintenance services)

Ultra-Progress | Egypt - Remote

Frontend Developer | Mar 2024 – Jul 2025

- Collaborated remotely with a distributed team to design and develop production-ready web applications, including an e-commerce platform and a real estate system.
- Built responsive, high-quality user interfaces and integrated APIs using React, Tailwind CSS, and JavaScript.
- Delivered scalable and performant frontend solutions with seamless data handling and cross-device compatibility.

EDUCATION

Bachelor's Degree in Information Technology, Kafr-Elsheikh University / College of Computers and Information

Sept 2018 – Jun 2022

Full Stack Development Internship, RMS services

Aug 2020 – Apr 2021
